IPSWICH HIGH SCHOOL

Class Of 2001

This Single Moment By: Joanna Phillips

Time passes slowly with each fleeting day. We stand still for a moment, And reflect on our dreams that have passed us by. We have come far in this instant. We have grown,

And surpassed our expectations.

We stand united, Together in this place, Unified in our desires. The longing to leave, To grow separately. But in this moment, This single moment,

We are together. We are one. We will reach our end, And realize our desires.

But we will never forget this moment in time.

Of the many milestones we reach in life, graduation from high school may perhaps be the most life transforming. We are now stepping into the role of being the leaders of ourselves rather than those being led. This can seem to be a daunting task. Have the courage to dip one toe into the waters, drawing upon what you have been taught, and the freedom to revel in what life choices you make for yourself. The experiences we have shared together will be a part of us always. Embrace the memories of what has been and make your dreams of tomorrow a reality. We have a whole lot of living to do . . . NIB HIGH FOOTBALL RULES!

"After Glow"

I'd like the memory of me to be a happy one,
I'd like to leave an afterglow of smiles
when day is done.
I'd like to leave an echo
whispering softly down the ways,
Of happy times and laughing times and bright and sunny days.
I'd like the tears of those who grieve to dry before the sun,
Of happy memories
that I leave behind when day is done.

We came into the brand new school this year with high expectations for student government. From our freque complaints about the "new" rules at 134 High Street to our attempts at organizing a high school/middle schomentoring program, we have honestly tried everything. However, it doesn't appear that we have much to show all of our hard work. Juniors in the parking lot; nope they're still there, being able to carry backpacks through the day, much to our disappointment, no, but that hasn't stopped anyone from doing otherwise. Our forever I struggle for exemption from finals if you receive an A, yes, for all those seniors out there, we were finally success with that request. Our meetings this year went from bashing the old high school to praising this new building call home. We hope, for current and future I.H.S. graduating classes we have made the road through high school ittle easier.

THE CHAMELEON

The Chameleon is a literary magazine published biannualy by Mrs. Benedetto's creative writing class. The Chameleon staff works hard to find very original ways to campaign for entries, such as radio clips on morning announcements. This year the Chameleon was very successful in advertising and received many short stories, poems, essays, photographs and artworks to choose from. The staff produced two wonderful issues, which provided enjoyment for readers and an opportunity for students to express themselves and have their talents displayed.

Yearbook entails high stress levels from both the deadlines and a lack of cooperation from all areas.

But when it was all packed away and the final stamp was licked, we took a breath that resulted in a sigh. We rewarded ourselves with the understanding that people will thank us later for all the work that delivered this little book of memories to your hands.

CONCERT BAND

The Concert Band this year has been fortunate enough to have a wonderful new music room for us to rehearse in, in which we all fit comfortably. We started out this year with pepband and then moved full force into our difficult concert band music. With Mr. Dolan pushing us to our max this year we had tremendous results to show for all of our hard work.

String Ensemble has grown immensely this past year with the addition of a bassist and a number of freshmen. Performing pieces written for New England high school orchestras, the group has been working hard to bring new life into its rehearsals. From fiddle to classical, String Ensemble does it all.

CONCERT CHOIR

Under the direction of Ms. Murphy the concert choir meets every day to prepare for the many events we participate in. In addition to our seasonal concerts we also compete in choral festivals, at graduation and we gladly lend our voices to carol downtown and at local nursing homes during the holiday season. We were fortunate enough this year to have a gorgeous new choir room to rehearse in, and despite the minor soundproofing dilemmas, we couldn't have asked for more. This year we aimed for the top and pushed ourselves to our limits, the results were truly amazing, for this has been one of the most successful years for the I.H.S. concert choir yet.

BEL CANTO

Bel Canto is an all female vocal group that sings for a variety of festivals and occasions. The group meets once a week under the direction of Ms. Murphy. The difficult repetoire provides a challenge to all who join and a wonderful learning experience.

CHAMBER SINGERS

Chamber Singers is a twelve-person group consisting of both male and females. The select group performs madrigal pieces and constantly strives to maintain the high level of difficulty in its repertoire. This year half of the singers are seniors and have worked together for many years.

MENS' CHORUS

Mens' Chorus is in its third year and seemingly gains more popularity with each year. As a vocal ensamble the group performs several contemporary pop and barbershop-style pieces at each concert with only one reheresal per week to prepare. During a concert at the High School or at one of our combined group concerts it is easy to see the talent and dedication of its members.

ITALY

On February 15, 2001 82 students left Ipswich High School behind and welcomed Italy with open arms. After three long plane rides (yes, the sophomores really did go to Detroit first) we all arrived safe and sound in Rome where we were greeted by our tour guides, Nancy and Lucia, and our bus drivers Manuela and Stefano. For the following eight days they brought us and shared with us their homeland and helped make us feel comfortable in this new country. Throughout this trip many new friendships were formed and lifelong memories were made. From our excursions in Florence, to the Carnivale, face-painting and Gondola rides in Venice, the convent hotel in Assisi and the Vatican, where we did see the Pope and breathtaking ancient ruins in Rome we all came away from this trip with a new understanding of the world.

The young team only composed of only starting seniors will local forward to next season with more confidence an experience.

-Ky Dinh Nguyen

A new season with 12 returning players were a year older. A new attitude of teamwork and a new motto "Survive". And the team certainly did. The result was a second place finish in the league, a state tournament berth and two wins, finally ending in the North Quarterfinals. The 13-7-1 record was the second best record in the school's history and the team defeated arch-rival Hamilton-Wenham three times. The Tigers established themselves as one of the best skilled passing teams in the league yet the youngest. The future looks bright.

The 2000 season was a great one for

The 2000 season was a great one for girl's soccer. Despite countless injuries and never having a full roster, we refused to give up. Our love and dedication to the game shone through, especially in the second half of the season when we really became united on and off the field. We played as a team and gave some of the larger schools a run for their money. With fourteen freshmen this year, the soccer program has really filled out and will hopefully continue to grow although our three departing seniors will be greatly missed. The memories of Argentinean soccer camp, pre-season at mile lane (without bathrooms!), washing Janis's bus, scoring our first-ever goal against Masco, spaghetti dinners and our banquet at the Majestic dragon will never be forgotten. We worked very hard this year and have greatly improved, but we remembered to smile and laugh along the way. Co-Captain, Meghan

Field Hockey

Team unity, hard work, friendship, laughter and lots of fun sum up the 2000 Field Hockey Season. Although our final record for the season, 3-7-6, wasn't ideal for such a great team, we still worked very hard and had a lot of fun doing it. Starting off the season in the best shape after pre-season had us pumped. We played through the season winning, losing, tying . . . and tying . . . and tying. As one of the closest teams to go through this program we have many fun memories to reflect on. Wwooaaahh ... wwooaahh, Rocky Road, take that mouth guard out for once and the constant smiling never ends! Victory dance, the night game, and who can forget the bleachers on the field. What a season and what a team. Good luck to all the future players and teams. And to all those leaving: "Good job ladies, WELL DONE.'

This year's team had high expectations going into the season. Our goals were to win the C.A.L. championship and make the tournament. We knew going into the season that we were not the most talented team, but we could out hustle any team that stepped out on the court with us. We have shown that hard work is more important than talent when we beat Newburyport (returning State Champs) and North Andover. We played well as a team and progressed tremendously throughout the season. We surprised a lot of people this year with the amount of heart we have shown. This season has a lot of fun and will be something to remember.

GIRLS' BASKETBALL

"Despite our struggle to win this year, we came together as a team and showed that we had heart to play the game. We worked together and tried our best to accomplish our goals for the season. With only eight players on the roster, it was hard to get fresh legs on the court, but it worked out. The greatest strength of our team is our defense. This helped us stay in the game. We had a lot of fun this year. I hope that the team bond will be as strong as it is now in seasons to come." -Meredith Emery, Captain

TIGER TRACK

Over the years, the Ipswich High School track team has developed a reputation as the under dogs of the Cape Ann League. This season, things were much different. Although we still lack numbers, the girls' varsity team has grown into a strong, multi-talented team. We care about each other and work together. As a team, we set very high goals for ourselves in the beginning of the year. With hard work and determination, we have done exceptionally well this season. Our team is one of the best in Ipswich High School history. Hopefully our success and hard work will continue and the program will expand. Good luck in the future and thanks to all our supporters, coaches and fans.

IPSWICH- GEORGETOWN CROSS COUNTRY

Cross Country has always been a challenge for Ipswich runners. Though we lacked in depth and numbers, we remained a strong team. Ipswich and Georgetown combined during the fall season and worked together as a unit. We never gave up hope and constantly strived to improve on our own personal performances. It was difficult at times because we only had three Ipswich runners, but we didn't give up without a fight. Hopefully sometime in the near future, Ipswich will have the numbers needed to begin their own team, but for now I wish the best of luck to our existing numbers. I had a great time! These past two years have been challenging but we've had a lot of fun. The early morning practices were a different experience for all of us, but we survived, and showed up again the next day— before the sun rose. We want to give a huge thanks to the community and parents who supported us, and especially to our timers, it wouldn't have worked without them. Many thanks to Mrs. Webber who put a lot of effort into our developing team. We wish the team our best for the upcoming seasons.

We were walking very quietly, As friends can sometimes do I had something on my mind. But didn't want to trouble you. So I kept it all inside me. As we slowly walked along. Till you gently told me you could tell That there was something wrong. You've always been that kind of friend, The kind who seems to know. Just how I'm feeling, even when I think it doesn't show. For our friendship goes beyond the things We do, or do not, share And I'm glad I have you in my life, To understand and care.

Emily Matthews

Sarah,

God has blessed us with having you as our daughter. You have grown into a self-confident, strong woman. We are releasing your arrow into the world. We hope it's ready for you!

Love, Mommy, Daddy & Zach

Nick

I love you like a son. Here's pie in your eye kiddo. Remember the fun of the flour fight? May all of your days be filled with fun. I am proud of and love you very much.

Love, your "other Mommy"

And a woman who held a babe against her bosom said, Speak to us of Children. And he said: Your children are not your children. They are the sons and daughters of Life's longing for itself. They come through you but not from you. And though they are with you yet they belong not to you. You may give them your love but not your thoughts. For they have their own thoughts. You may house their bodies but not their souls. For their souls dwell in the house of tomorrow, which you cannot visit, not even in your dreams. You may strive to be like them, but seek not to make them like you. For life goes not backward nor tarries with yesterday. You are the bows from which your children as living arrows are sent forth. The archer sees the mark upon the path of the infinite, and He bends you with His might that His arrows may go swift and far. Let your bending in the archer's hand be for gladness. For even as He loves the arrow that flies, so He loves also the bow that is stable. - Kahlil Gibran

On behalf of the I.H.S. Class of 2001, we would like to thank our class advisor, Heather Anastos. Heather has been the class advisor for our class all four years we have been at the high school. She always demonstrated selflessness and put the class' needs before her own. Being class officers all four years, we have had the pleasure to work side by side with Heather. She has always been extremely dedicated to the class and helped us work through many hard times. Whenever the class officers had difficulties juggling the many responsibilities of the class, Heather always came through in the end and somehow carried us along. She is irreplaceable and we were extremely pleased to have the opportunity to have worked with her. Now that it is all over, we look back and see how much time and effort she has put in. We don't know how we would have excelled as a class without such a great person guiding us through our many responsibilities. We would just like to personally thank Heather for all the things she helped us with over the years. It has not only been a pleasure working with you but getting to know you has been a truly amazing experience. You are a great person. We will never forget you. Thank you for everything.
